

# the CHOPTANK FIBER DIFFERENCE

1. All profits are returned to the members of Choptank Electric Co-op or reinvested in the products and services offered.
2. We are building our broadband network to the same high standards as we build and maintain our electric utility.
3. 100% fiber network being built to accommodate speeds for the future.
4. Offering 2.5 Gigabit (*upload and download*) residential service with no data caps.
5. Guaranteed two-year pricing with no unexpected increases.
6. No equipment rental fees or other hidden fees.
7. Manage and protect the connected devices on your network with our complimentary CommandIQ mobile app.
8. Offering (*VoIP*) Phone Service.
9. Our financial assistance discounts can be applied to each monthly subscription.

*The Cooperative difference is what sets us apart from other providers. We are owned by the Choptank Electric members we serve.*

### Rita Boyle Mielke

We love it. Fantastic Speed. Incredible reliability, and saved us money too. Can't beat Choptank Fiber on quality, service or price. Best internet we have ever had by far.

### Spring Tribbett

We were not taking any chances, we wanted fast internet, so we went for the 2.5-Gigabit package, and we have no regrets. The service is excellent.

# Choptank Fiber

CONNECTING FAMILIES  
*One rural community at a time*

Pre-register your address for service at  
**WWW.CHOPTANKFIBER.COM**  
**1-877-892-0001**

Choptank Fiber comes fully equipped with the complimentary **CommandIQ**<sup>®</sup> mobile app, making your connected life easier by allowing you to:

- **See who's on your network:** Don't let the neighbors poach your Wi-Fi. View all connected devices on your network and get notified when someone connects.
- **Get web threat alerts in real time:** With our **ProtectIQ** network security, you'll be notified in the app when threats are blocked and can take action.
- **Hit the pause button:** Sometimes we all need a well-placed timeout. You can pause the internet on anyone's device or during a specific time.

- **Prioritize what matters most:** Choose which devices and activities get the most of your bandwidth in **ExperiencIQ**.
- **Run a bandwidth test:** Internet running slow? Run a test – the higher the better. Call us for ways to improve your experience with more speed.

**Choptank  
Fiber**
