

More Than Just Guest Wi-Fi

Elevate Your Customers' Entire Experience with SmartBiz™

Offering free Wi-Fi isn't just a service, it's smart business.

Choptank Fiber's SmartBiz Customer Portal empowers your business to deliver secure, reliable, and branded Wi-Fi experiences that customers appreciate and remember.

Transform the way your customers experience your brand by offering them a personalized Wi-Fi experience that's not just about internet access, but a sign of your commitment to their satisfaction.

With Choptank Fiber's SmartBiz Customer Portal, your guests enjoy seamless connectivity while you gain peace of mind with enhanced security and legal safeguards. Extend your business hours virtually, promote special offers through customized splash pages, and foster lasting customer relationships by safely capturing visitor details for future marketing opportunities.

The SmartBiz Portal includes:

- Personalized Splash Pages: Tailor the look and feel of your Wi-Fi landing page to match your brand identity.
- Enhanced Network Isolation: Keep your business operations and guest networks separate and secure.
- Network Security & Content Restrictions: Protect your guests and your business from malicious online activities.
- Scheduling Network Access: Align Wi-Fi availability with your business hours to optimize resource use.
- Marketing Insight Collection: Easily capture and utilize customer data for targeted promotions.
- Legal Compliance: Custom terms of service on your Wi-Fi network to protect your business legally.
- Convenient Management: Control your network settings effortlessly with CommandWorx.

SmartBiz is more than just a Guest Wi-Fi; it's a comprehensive platform that adds value to your customers' experience and equips you with tools for growth. It's time to make every customer connection count.

Unlock the full potential of your customer Wi-Fi. Contact us today to learn more about the SmartBiz Customer Portal and start redefining your customer experience.
